Airspace development
At least 200 year lease given
4 units
An excellent location

A unique residential development with planning

A unique opportunity to acquire a contemporary residential development in one of Wembley's premier roads.

Contact us now to request a full information pack.

Summary

A unique residential development opportunity with planning to create 4 contemporary units arranged on top of 4 existing units already on the ground and first floor.

There are several bus routes which operate locally to the site, as well as various tube stations within walking distance, including Wembley Central, Sudbury town Station and Alperton Station.

The length of the leasehold is negotiable for this airspace development.

Price stated at **£500,000**
