

**Centre Coordinator £28,500 full time (37.5 hours) and 5% employer pension contribution**

**Volunteer Coordinator £27,951 pro rata for 4 days a week and 5% employer pension contribution**

**We are seeking two exceptional women to join our team. Do you have drive, passion and commitment to improving the lives of women - why not join us in our fight for full abolition of the sex trade?**

The women we support need your help now more than ever. The global pandemic has wielded devastating impacts across the world, especially amongst women who already faced disadvantage, abuse and exploitation. We are more committed than ever to continuing to provide specialist support services for women.

Both roles work across the whole organisation to build our capacity to provide high quality, holistic support to vulnerable women.

Our Centre Coordinator is pivotal to our work, running our daily 'Drop In' and managing our facilities to ensure we operate a safe and welcoming environment for women, volunteers, staff and visitors.

The Volunteer Coordinator role is critical for the organisations services, ensuring that we have enough volunteers to support our work. Supporting services staff with recruitment and training, and making and developing partnerships within the community and with other organisations – such as universities to ensure our volunteer force is as diverse as the women that use our services.

women@thewell is an initiative developed by the Institute of Our Lady (IOLM) to provide a uniquely holistic and multifaceted range of services to vulnerable women, who are caught in multiple cycles of abuse and social exclusion.
